**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who works from home; I unequivocally support broadband competition. I also rely on the landline provided by my provider, Sonic. I urge you to stand with working consumers like me and say no to price gouging that will increase the cost of internet and telephone services. This will only make such technology less accessible, not more.
